

Curriculum Vitae

(March 2023)

Dr. Jean-Yves Hiro MEYER

Délégation à la Recherche de la Polynésie française
(Research Department, Government of French Polynesia)

B.P. 20981 Papeete, 98713 Tahiti, French Polynesia

Phone: (689) 40 47 25 60; Fax: (689) 40 43 34 00

Email: jean-yves.meyer@recherche.gov.pf; jeanyves.meyer@gmail.com

Weblog: www.jymeyer.com

Fields and areas of expertise

Island biology & biogeography; botany & plant ecology; evolutionary biology & genetics; conservation science & habitat restoration; biological invasions & weed ecology; palaeo-ecology & species extinction; tropical forests & wetland ecosystems; native & alien flora and fauna of French Polynesia (Austral, Gambier, Marquesas, Society, Tuamotu), Clipperton atoll, Easter Island (Rapa Nui) & Salas y Gómez (Motu Motiro Hiva), Cook Islands (Southeastern Polynesia) and Wallis et Futuna (Western Polynesia); study and management of invasive plants in the Pacific Ocean (including Fiji, Hawaii, Samoa, New Caledonia) & the Western Indian Ocean (La Réunion, Mauritius, Mayotte).

Professional preparation

Qualified as Lecturer (“*Maître de Conférence*”) in Ecology and Population Biology, France, **2009**.

University of Hawaii at Manoa, USA, Botany, Postdoctoral Research Scholar, **1996-1997**.

University of Montpellier, France, Population Biology and Ecology, **Ph.D., 1994**.

University of Montpellier, France, Evolutionary Biology and Ecology, **M.S., 1991**.

University of Nancy, France, Organism and Population Biology, **B.S., 1990**.

Appointments

Head of the Research Department/Délégation à la Recherche (“*Délégué à la Recherche*”), Government of French Polynesia, Tahiti, **2014-2020**.

Senior Research Scientist (“*Chargé de Recherche 1^{ère} classe*”), Délégation à la Recherche, Government of French Polynesia, Tahiti, **2008-2014; 2020-on going**.

Research Scientist (“*Chargé de Recherche 2^{ème} classe*”), Délégation à la Recherche, Government of French Polynesia, affiliated at the Institut Louis Malardé (Biomedical Research Institute), Tahiti, **2002-2008**.

Scientific Director, Conservatoire Botanique National de Mascarin, La Réunion Island, France, **2001-2002**.

Research Management Officer, Délégation à la Recherche, Government of French Polynesia, affiliated at the Université de la Polynésie française (University of French Polynesia), Tahiti, **1998-2001**.

Research Assistant (“*Volontaire à l’Aide Technique*”), Délégation à l’Environnement et à la Recherche, Government of French Polynesia, affiliated at the Centre ORSTOM (IRD), Tahiti, **Dec. 1994-1996**.

Selected publications

Scientific papers in refereed journals with Impact Factor

Buffington A., Kahn J., Dotte-Sarout E., Meyer J.-Y. & Escue C. **in prep**. Defining the scope of the anthropogenic niche: woodland communities over a 1000-year sequence in the Society Islands (French Polynesia). *Journal of Anthropological Archaeology*.

Fabre Barroso S., Flores O., Palmas P., Pouteau R. & Meyer J.-Y. **submitted**. A comparative study of the floristic diversity and structure of relictual littoral and swamp forests in the island of Tahiti (French Polynesia, South Pacific). *Pacific Science*.

Palmas P., Meyer J.-Y., Chailier E., De Méringo H., Vidal E., Gaertner J.-C., Bambridge R., Mooroa T., Hurahutia I., Teatiu G., Teatiu S. & Timau T. **in revision**. Introduced rat assemblage affects feral cat threat on biodiversity in French Polynesian islands. *Wildlife Research*.

Larrue S., Baray J.-L., Chadeyron J., Meyer J.-Y., Mazal L., Daehler C. & Fumanal B. **in press (2023)**. Modelling long-distance seed dispersal of the invasive tree *Spathodea campanulata* in the Society Islands. *Ecological Applications* <https://doi.org/10.1002/eap.2839>

- Clerissi C, Chaib S., Raviglione D., Espiau B. Bertrand C. & Meyer J.-Y. **2003**. Metabarcoding and metabolomics reveal the influence of the invasive alien tree *Miconia calvescens* on soil diversity in the tropical island of Moorea (French Polynesia). *Microorganisms* 11(4), 832.
<https://doi.org/10.3390/microorganisms11040832>.
- Meyer J.-Y., Pouteau R. & Vincent F. **2022**. Assessing habitat suitability for the translocation of *Ochrosia tahitensis* (Apocynaceae), a critically endangered endemic plant from the island of Tahiti (South Pacific). *Journal for Nature Conservation* 68 <https://doi.org/10.1016/j.jnc.2022.126198>
- Maloney A.E., Richey J.N., Nelson D.B., Hing S.N., Sear D.A., Hassall J.D., Langdon P.G., Sichrowsky U., Schabetsberger R., Malau A., Meyer J.-Y., Croudace I.W. & Sachs J.P. **2022**. Contrasting common era climate and hydrology sensitivities from paired lake sediment dinosterol hydrogen isotope records in the South Pacific Convergence Zone. *Quaternary Science Reviews* 281.
<https://doi.org/10.1016/j.quascirev.2022.107421>
- Fernandez-Palascios J.-M., Kreft H., Irl S., Norder S., Ah-Peng C., Borges P., Burns K., de Nascimento L., Meyer J.-Y., Montes E. & Drake D. **2021**. Scientist's warning: the outstanding biodiversity of islands is in peril. *Global Ecology and Conservation* 31 <https://doi.org/10.1016/j.gecco.2021.e01847>
- Meyer J.-Y., Taureau V., Bisarah L., Madi Moussa R., Gorchakova E. & Caillaud A. **2021**. Introduced mangroves in the Society Islands, French Polynesia (South Pacific): invasive species or novel ecosystem? *Biological Invasions* 23: 2527-2539.
- Véron S., Rodrigues-Vaz C., Lebreton E., Ah-Peng C., Boulet V., Chevillotte H., Gradstein S. R., Jérémie J., Lavocat Bernard E., Lebouvier M., Meyer J.-Y., Munzinger J., Poncy O., Thouvenot L., Viscardi G., Gargominy O., Leblond S., Pignal M., Rouhan G., Terceirie S., Invernón V., Muller S. **2021**. For an improved conservation of endemic floras: an assessment of the endemic spermatophytes, pteridophytes and bryophytes of the French Overseas territories. *Biodiversity and Conservation* 30: 2097-2124.
- Barrett R.L., Taputuarai R., Meyer J.-Y., Bruhl J.J. & Wilson K.L. **2021**. Reassessment of the taxonomic status of Cyperaceae on Rapa Iti, Austral Islands, French Polynesia, with a new combination, *Morelotia involuta*. *Telopea* 24: 171-187.
- Gerlach J., Barker G.M., Bick C.S., Bouchet P., Brodie G., Christensen C.C., Collins T., Coote T., Cowie R.H., Fiedler G.C., Griffiths O., Florens F.V.B., Hayes K.A., Kim J., Meyer J.-Y., Meyer III W.M., Richling I., Slapcinsky J.D., Winsor L. & Yeung N.W. **2021**. Negative impacts of invasive predators used as biological agents against the pest snail *Lissachatina fulica*: the snail *Euglandina rosea* and the flatworm *Platydemus manokwari*. *Biological Invasions* 23(4): 997-1031.
- Larrue S., Meyer J.-Y., Fumanal B., Daehler C., Chadeyron J., Flores M. & Mazal L. **2020**. Seed rain, distance dispersal, and germination of the invasive tree *Spathodea campanulata* on the island of Tahiti, French Polynesia (South Pacific). *Pacific Science* 74(4): 405-417.
- Meyer N., Balkenhol N., Dutta T., Hofman M., Meyer J.-Y., Ritchie E., Alley C., Beranek C., Bugir C.K., Callen A., Clulow S., Cove M.V., Klop-Toker K., Lopez O.R., Mahony M., Scanlon R., Sharma S., Shute E., Upton R., Guilbault E., Griffin A.S., Hernandez Perez E., Howell L.G., King J.-P., Lenga D., O'Donoghue P. & Hayward M. **2020**. Beyond species counts for assessing, valuing and conserving biodiversity: response to Wallach et al. 2019. *Conservation Biology* 35(1): 369-372.

Synergistic Activities

1. Guest lecturer for the University of California, Berkeley field-courses in “Tropical Island Biology and Geomorphology” taught at the R. Gump South Pacific Research Station, Moorea (2002-on going) and “Island Sustainability” at the Tetiaroa Society Eco-station, Tetiaroa (2022-on going).
2. Coordinator of a course in “Conservation biology and biological invasions on islands” for a Master of Science Degree (Master 2 “Biodiversité, Ecologie, Evolution”, parcours “Environnement Insulaire Océanien”) of the University of French Polynesia: member of the students selection committee, course lecturer, reviewer of student dissertations and jury member for their final oral exam (2013-on going).
3. Scientific supervisor or co-supervisor advising, training and mentoring French and foreign undergraduate/graduate/doctoral/post-doctoral students (committee or jury member for 14 doctoral thesis/PhD candidates, supervisor of 15 graduate/MSc students) in terrestrial ecology, tropical botany, island biogeography, invasion biology, species conservation and habitat restoration.
4. Botanical expert, involved in the inventory, knowledge and conservation of the native and endemic flora of French Polynesia and Wallis et Futuna, as well as identifying and managing current and potential invasive alien plant species.
5. Major collaborator of botanist Jacques Florence (IRD, Muséum national d'Histoire naturelle, Paris), author of the three volumes on the Flora of French Polynesia and of the “Nadeaud botanical database” (2007, and updated in 2019 <http://nadeaud.ilmn.fr>), and collaborator of botanists David H. Lorence (National Tropical Botanical Garden, Hawaii) and Warren W. Wagner (Smithsonian Institution, Washington) for the Vascular Flora of the Marquesas Islands database (<http://botany.si.edu/pacificislandbiodiversity/marquesasflora/>).
6. Referee for the peer-reviewed scientific journals “*Global Change Biology*”, “*Conservation Letters*”, “*Journal of Applied Ecology*”, “*Journal of Environmental Management*”, “*Landscape and Urban Planning*”, “*Biological Conservation*”, “*Ecology*”, “*Quaternary Science Reviews*”, “*Journal of Biogeography*”, “*Diversity and Distributions*”, “*Annals of Botany*”, “*Forest Ecology and Management*”, “*Biological Invasions*”, “*Biodiversity and Conservation*”, “*NeoBiota*” (e-journal), “*Perspectives in Plant Ecology, Evolution and Systematics*”, “*PlosOne*” (e-journal), “*Biotropica*”, “*Oryx. The International Journal of Conservation*”, “*Ecology and Evolution*”, “*PeerJ*” (e-journal), “*Biological Control*”, “*Insect Conservation and Diversity*”, “*Diversity*” (e-journal), “*Journal for Nature Conservation*”, “*Journal of Ornithology*”, “*BioControl*”, “*South African Journal of Botany*”, “*Weed Research*”, “*Ecological Research*”, “*Acta Oecologia*”, “*Austral Ecology*”, “*Pacific Science*”, “*Journal of Tropical Ecology*”, “*Invasive Plant Species and Management*”, “*Australian Journal of Botany*”, “*Zoosystema*”, “*Revue d'Ecologie (Terre Vie)*”, “*Journal of the Polynesian Society*”, “*Acta Botanica Hungarica*”, “*Tropical Conservation Science*” (e-journal), “*Phytologia*” (e-journal), “*Biodiversity Data Journal*” (e-journal), “*Vertigo*” (e-journal), “*Pacific Conservation Biology*”, “*Atoll Research Bulletin*”.
7. Expert consultant on terrestrial biodiversity and biological invasion initiatives across the Pacific: Global Invasive Species Program (GISP) and Database (GISD), IUCN/SCC Invasive Species Specialist Group (ISSG), CABI Invasive Species Compendium, Pacific-Asia Biodiversity Transect (PABITRA), South Pacific Regional Environmental Program (SPREP), Pacific Invasives Learning Network (PILN), Botanic Gardens Conservation International (BCGI), Global Peatlands Initiative (UNEP).
8. Scientific collaborations with: University of California at Berkeley (USA), Smithsonian Institution of Washington (USA), Bishop Museum of Honolulu (Hawaii, USA), University of Hawaii at Manoa

- (Hawaii, USA), Biosecurity Queensland (Australia), Australian National University, Canberra (Australia), University of Auckland (New Zealand), University of Canterbury (New Zealand), Te Papa Herbarium, Wellington (New Zealand), University of the South Pacific, Suva (Fiji), CONAF-Rapa Nui National Park (Chile), IRD Nouméa (New Caledonia, France), Service Territorial de l'Environnement, Wallis et Futuna (France), Université de La Réunion (France), Parc National de La Réunion (France), Université des Antilles (France), Parc National de la Guadeloupe (France), Université de la Polynésie française (French Polynesia), Centre de Recherches Insulaires et Observatoire de l'Environnement (CRIOBE)-EPHE-CNRS-Université de Perpignan (French Polynesia/France), Muséum national d'Histoire naturelle, Paris (France), IRD Montpellier (France), CEFE-CNRS, Montpellier (France), Université de Clermont Auvergne (France), Oxford University (UK), University of Southampton (UK).
9. Reviewer for research and conservation projects submitted to the French “Fondation pour la Recherche sur la Biodiversité (FRB)”, the “Agence Nationale de la Recherche (ANR)”, the “Stratégie Nationale sur la Biodiversité (SNB)”, and to the “The Netherlands Organisation for Scientific Research (NWO)”.
 10. Member of the IUCN/Species Specialist Commission “Invasive Species Specialist Group” (ISSG) **(1998-on going)**.
 11. Member of the Scientific committee of the Conservatoire Botanique National de Mascarin, La Réunion **(2002-on going)**.
 12. French Polynesia coordinator of the “Initiative on Invasive Species in the French Overseas Territories” of the French IUCN Committee **(2006-2020)**.
 13. Research Associate in Botany, National Tropical Botanical Garden, Hawaii, USA **(2008-on going)**.
 14. Executive committee member for the “Moorea Biocode Project” (University of California at Berkeley, Smithsonian Institution of Washington, USA, and CRIOBE-CNRS-EPHE-Université de Perpignan, France), and team co-leader for the inventory of the native and alien vascular flora **(2008-2012)**.
 15. Member of the Technical Advisory Committee for the “Polynesia-Micronesia Critical Ecosystems Partnership Fund” (CEPF) **(2008-2013)**.
 16. Board Member of the “Society for Conservation Biology, Oceania section” **(2011-2014)**.
 17. Member of the Scientific committee of the “Grand Observatoire de l'Environnement et de la Biodiversité du Pacifique Sud” (GOPS) **(2010-2014)**; member of the GOPS Executive committee **(2015-2017)**.
 18. Council Member of the “Pacific Science Association” **(2013-on going)**.
 19. Member of the “Groupement de Recherche CNRS 3647 Invasions Biologiques” **(2014-on going)**.
 20. Member of the “Tetiaroa Society Scientific Advisory Board” **(2014-on going)**.
 21. Member of the Pacific Committee of the “Biodiversity and Ecosystem Services in Territories of European Overseas Projects (BEST 2.0 and BEST 2.0+)” of IUCN as an independent expert in charge of reviewing, selecting and assessing conservation projects in French Polynesia, New Caledonia, Wallis et Futuna and Pitcairn Islands **(2015-2021)**.
 22. Member of the Editorial committee (Associate Editor) of the “New Zealand Journal of Botany” **(2016-2018)**.
 23. Board member of the “Society for Island Biology” **(2016-on going)**.
 24. Expert nominated by France to a working group on invasive alien species for the “Intergovernmental Platform on Biodiversity and Ecosystem Services” (IPBES) **(2019-on going)**.
 25. External member of the Scientific committee of the Parc National de La Réunion **(2020-on going)**.
 26. Member of the “Conseil Scientifique Territorial du Patrimoine Naturel” (CSTPN) de Saint-Pierre et Miquelon **(2021-on going)**.
 27. Member of the “Pacific Islands Roundtable for Nature Conservation (PIRT) Species Working Group” **(2022-on going)**.
